MINI JOHN COOPER WORKS CLUBMAN

DESIGN

Based on the “shooting brake” concept (modified coupé fitted with an estate-like rear), the MINI John Cooper Works Clubman combines sleek contours, all-round muscle and a revolutionary door concept reminiscent of the Austin Mini Countryman and the Mini Clubman Estate.

But it’s not just about aesthetics: expanding upon the original design-to-space concept, the MINI John Cooper Works Clubman upholds the reputation of MINI as the one-off small car that creates space on the inside and saves space on the outside.

SAFETY

The MINI John Cooper Works Clubman offers some of the highest protection factors you could wish for, including:

- six airbags as standard;
- performance disc brakes all round;
- Anti-lock Braking System (ABS with CBC, EBD and Brake Assist);
- Automatic Stability Control + Traction (ASC+T);
- Dynamic Stability Control (DSC) with Dynamic Traction Control (DTC) and Electronic Differential Lock Control (EDLC) – unique among front-wheel drives.

ENGINE

Wild, uncompromising and bursting with energy: it’s not just an engine that the MINI John Cooper Works Clubman has under its bonnet. It’s a veritable power plant. With its twin-scroll turbo-charger, it generates a fearsome 260 Nm torque, with the Overboost function getting it up to a whopping 280 Nm. Fuel consumption combined (ltr/100 km) 7.0
CO₂ emission (g/km) 167

DRIVING EXPERIENCE

The wheels are pushed out to each corner of the car, giving it a low centre of gravity and superb go-kart style handling. This is enhanced by the multilink rear suspension – a rare feature in a small car. It makes sure that the rear wheels are always in full contact with the road, no matter how bumpy. Gripping stuff!

MINI JOHN COOPER WORKS CLUBMAN

EXTRAS, EXTRAS, EXTRAS

Keep your MINI John Cooper Works Clubman even wilder – with the vast range of John Cooper Works Accessories.

Roof spoilers, aerodynamic add-ons, custom-engineered chassis extras, alloy rims, trims for just about every surface that can be trimmed – it's never been easier to put together your own made-to-measure fitness programme.

And if that's not enough, you can always check out Original MINI Accessories, too. Extra pep for the outside, raciness for the inside and boundless energy under the bonnet – you want, you'll almost certainly get.

EXTERIOR DESIGN

Rear spoiler

Not only guarantees a sharper profile, but also helps to prevent lift-off at high speeds – making for an even more ground-hugging drive.

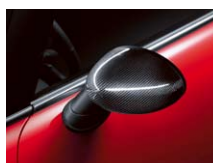

Air inlet in carbon

Add an even greater air of coolness to your MINI John Cooper Works Clubman with this striking grey trim for the bonnet scoop.

Cross Spoke 18" light-alloy wheel (R113)

The only 18-inch wheel available for John Cooper Works models. Available in matt black or burnished variants.

Exterior mirror caps in carbon

These high-grade carbon covers make sure the outside mirrors reflect well whichever way you look at them.

Side scuttles

These snappy side dishes with black honeycomb optic are the perfect optical complement to the aerodynamic kit.

Additional headlights

All the sportiness, none of the flash: these generously-proportioned, dazzle-free auxiliary lamps for the radiator grille.

AGILITY

Strut brace

Reduces bodywork vibrations and increases stability, ensuring unbending sensations – even on the sharpest of bends.

MINI JOHN COOPER WORKS CLUBMAN

INTERIOR DESIGN

Interior trim strips in carbon

Even more panache for the dash: hand-finished and oozing with raciness, these trims are an ideal match for the exterior carbon extras.

Floor mats in Checkered Flag design

Durable interwoven mats for an extra-sporty feel and that gripping feeling underfoot.

Gear knob and gaiter in Alcantara

Change gear even more crisply – with the smooth-to-touch gearshift outfit. Also available in leather.

Alcantara-covered sport steering wheel

For an even more palm-prickling drive. With a carbon strip and a multifunction option.

MUSIC & TECHNOLOGY

Navigation Portable

Show me the way to go ... anywhere in Europe. With 3.5-inch display, touch-screen operation, voice control and MP3 player.

iPod interface

Tunes unlimited in your MINI, with iPod operation via radio or multifunction steering wheel.
